DUBAI TOUR

Description

Dubai, the second largest of the seven emirates, is an extraordinary blend of East and West, a rich potpourri of eastern charm and western modernity ready to be discovered on this fascinating tour

What we will see

- Burj Al Arab
- Jumeirah Mosque
- Al Bastakiya
- Al Fahidi Fort
- Abra boat ride
- Spice Souk
- Gold Souk

What we will do

- The first stop on our tour takes us outside the famous **Burj Al Arab** hotel, where we can take incredible photos of its distinctive sail-shaped structure.
- We then board the coach again and head for the **Jumeirah mosque**, a stunning example of Islamic architecture that we can immortalise in unforgettable photos.
- In complete contrast with what we have just seen, our coach then takes us to the **Al Bastakiya** district, an area that has preserved the historic heritage of the time when oil was first struck. The walls of the houses still enclose charming gardens where we can still catch a glimpse of decorations which once lavishly adorned them. The most intriguing part of these places is the presence of so-called **barjeel** towers: wind towers that rise above the rooftops channelling wind to the gardens and rooms below for cooling. These towers have become a symbol of the district.
- Another noteworthy attraction in this area is the **Al Fahidi fort** that dates back to the 18th century and is now home to the Dubai Museum.
- We then leave our coach to cross the distinctive Dubai Creek on an **abra**, a wooden boat used as a kind of river taxi, to visit the **spice market**.
- Our last stop will be the immense **Gold Souk** where we can find exquisite pieces of jewellery cheaper than anywhere else in the world.

ABU DHABI: THE CAPITAL OF THE ARAB EMIRATES AMIDST TRADITION AND MODERNITY

Description

A lively, cosmopolitan city, ultramodern streets and skyscrapers, yet with a strong tradition: an excursion to discover the multi-

faceted capital of the Arab Emirates.

What we will see

- Al Ittihad Square
- Presidential Palace (external)
- Skyline
- Heritage Village
- Corniche
- Marina Mall
- Emirates Palace Drive around
- Sheikh Zayed Exhibition

What we will do

- Leaving the dock behind us, we begin our tour of Abu Dhabi, a city situated on a small peninsula, surrounded by a tiny archipelago. Founded in 1761 by the Bani Yas tribe, the name of the city, which means “father of the gazelle”, was chosen as a tribute to the legend, according to which it was a gazelle to lead the first tribe to a fresh water spring in Abu Dhabi.
- Our first photo stop will be in **Al Ittihad Square**, whose name means “union” in Arabic, to immortalise the spectacular, white ivory monuments, including a large coffee-pot and an incense burner symbolising renowned Arabic hospitality and its centuries-old tradition.
- Next we will visit Sheikh Zayed Exhibition, a museum housed in an Emirati heritage village replete with camels, in an incredible homage to the man who shaped the nation. A photo gallery of Sheikh Zayed and many visiting regional and international royalty and dignitaries lines the walls of the museum, which is also full of personal memorabilia such as his favourite hunting rifles. Taking centre stage are the late President’s cherished vehicles – which he often drove through the city without a bodyguard – and gifts he received from all over the world such as stuffed lions and cheetahs. We will continue with a stop at the Marina Café, where there will be time for another photo stop to immortalise the spectacular **skyline** of Abu Dhabi.
- We then come to the **Heritage Village**, which houses a small museum and reconstructed homes which illustrate the day-to-day activities of the local community, before oil was discovered at the end of the 50s.
- Now it’s time for the spectacular* *Corniche**, the splendid waterfront that extends for several kilometres, lined by numerous ultramodern, glass skyscrapers and elegant residential complexes, which have earned Abu Dhabi the title of “Manhattan of the Persian Gulf”.
- We end our tour at the breakwater, from where we can admire the superb panorama of the extraordinary city skyline.
- Because of the differences in temperature between the places visited and the air-conditioned vehicles and the temperature outside, we recommend that you wear a light cotton jumper.
- The order of the itinerary may vary.
