At Sea

XZ95 – Inside access behind-the-scenes ship tour – 86.13 EUR

Duration: 2 hours

Departure times: Feb 01, 10:00 am, Jan 29, 10:00 am, Jan 27, 10:00 am

Discover the answers to a question we get asked on every voyage, “How does a ship so big run so smoothly?” Find out on a behind-the-scenes tour that reveals the technology, teamwork, and tons of supplies that go into creating your Celebrity Cruise. Start in the Main Dining Room with a little hands-on lesson from the staff, and then, visit the Main Galley to see how our culinary team artfully prepares about 25,000 meals for our guests and crew each and every day. It’s an impressive achievement, especially when you think about all the exotic flavors you get to enjoy in Modern Luxury style aboard your Celebrity Cruise ship. Next up, pop into provisioning for a jaw-dropping look at the sheer volume of ingredients it takes to make it all happen. Here’s a little preview. We go through roughly 8,500 lbs of watermelon on every cruise. Not to mention, 10,000 bananas and 32,000 potatoes (give or take a few). Continue to the Engine Control Room, where expert engineers monitor the ship’s engines and onboard machinery - 24/7. You’ll learn how the engines do more than turn the giant props. They power all our onboard systems, including air-conditioning, refrigeration, plumbing and many others. This is the heart and soul of the cruise ship and you’ll enjoy a rare up-close look at how it operates. Afterwards, go for stroll down I-95, the “main highway” for the crew. It runs down the center of the ship and is named after the longest highway on the U.S. East Coast. Your next stop is Laundry, where thousands of items are cleaned and crisply folded every day– napkins to linens to beach towels. Marvel at massive machines that can hold 264 lbs. of laundry in every load. To put that in perspective, it’s like doing 14 loads of laundry in your machine at home all at once. The tour concludes with a real treat – a visit to the Bridge, where all the ship’s onboard systems are controlled. Step up and witness advanced navigation and communications equipment in action, and scan the sea from the same vantage point your Captain uses to chart the way. If you’ve ever wondered what it takes to run a cruise ship, this inside access tour provides plenty of answers, great insight, and a whole lot of excitement.
